

Connecting you to new Business and Social events

What is the Nadeen Network?

- A business and social networking opportunity for parents and friends of the school
- A way for parents to find other people on the network with similar business interests or needs
- A way for parents to find out if there is an interest in the skills and services that they can provide on a private basis, outside of their normal business setting

How does the Nadeen Network benefit my business?

- Promote your business through the extended school community
- Meet and make new business and social contacts
- It gives you access to quality goods and services provided by the network of parents and friends of the school
- Avail of special discounts offered by and through members of the Network

What information of mine will be shared?

- Your name, contact information, company name (if applicable), and services offered

What are the membership benefits?

- Opportunities for inclusion into monthly school newsletter
- Email and Facebook promotion available for all network members
- Opportunities for business promotion at all school events
- Priority given to Network members for sponsorship opportunities of school events

How does it benefit the school?

- The school and school community will benefit from the services, expertise, and goods, all shared and promoted within the network
- Increased camaraderie within the Nadeen Family

How do I join?

- Fill in and return the Nadeen Network Membership Form, located on our website and from the school office
- Email: nadeennetwork@nadeenschool.com

**We look forward to you joining the Nadeen Network,
another part of our "Small School, Big Family"**
